June 2009

Next Meeting June 4th - Election of Officers / Pizza Night / Home Brew Presentation

President's Message

Our Members

The first half of May has certainly been an eventful time for the Warminster Amateur Radio Club. And everything that has happened has once again reminded me of what a great group of people our members are.

May started out with the annual hamfest. Headed up by hamfest chairperson Michael Davis, KBIJEY, a number of our members had been working for months to prepare. Everything from getting the necessary permits to coordinating mailings to arranging for porta-potties had to be completed in order to be ready for May 3. In the days before the event, several club members made sure speakers were in place, the tables were moved and arranged, and the temporary electrical wiring was installed. Some club members arranged to stay at the fairgrounds overnight in order to watch over the facility and to be there when the first vendors arrived. On the morning of the hamfest, a number of our club members were on hand very early to organize vendors and tailgaters, man the entrance gates, coordinate parking, provide talk-in service, and do the many other jobs needed to run the event. Despite the rain, many more club members came out and supported the hamfest by attending or by encouraging others to attend. And, of course, there were members of the club coordinating the close down and clean-up on Sunday afternoon. The WARC Hamfest could not have happened without the efforts of so many in our club.

During the hamfest, we experienced a medical emergency. Once again, our club members showed just what kind of people they are. When the emergency happened, one of our members immediately put out a call for emergency help. Upon hearing that CPR was needed, members who were certified in CPR immediately responded and were prepared to help. Two club members performed CPR until the paramedic unit arrived despite some very difficult conditions. As this was happening, other club members moved into action. When the medical emergency call went out, just about everyone with a cell phone immediately called 911. All stations stood by on the radio frequency being used for hamfest communications and kept the frequency clear for emergency traffic. Club members were handling crowd control and keeping the driveway clear for emergency vehicles. And yet others were doing the jobs necessary to keep the hamfest organized and operating through the medical emergency. WARC members came through in a difficult situation.

At the May general meeting, we discussed proposed changes to the by-laws and club constitution. There were differing opinions on some of the proposals and a lively discussion of the issues took place. Now sometimes at meetings in other organizations where there is a difference of opinion, the discussion can become less than orderly – with arguments and flaring tempers. But not at our meeting. Our members conducted an orderly discussion, giving everyone the chance to be heard and listening to what others had to say. While everyone did not agree on all the issues, our members demonstrated respect for one another in the true spirit of ham radio.

All these events have reinforced what I already knew – and I hope you know as well. WARC members are first class. I count it a privilege to be a part of this distinguished group of hams.

73,
Larry WA3ELQ

Minutes for the General Membership Meeting May 7, 2009

Meeting was called to order by the President, Larry (WA3ELQ) at 7:35 pm.

INTRODUCTIONS:

MINUTES FROM THE APRIL 2, 2009 MEETING:

A motion was made, seconded and unanimous vote to accept them as printed in the Feedback Newsletter.

TREASURER REPORT- Denise (KB3ANO):

Not Available

(Continued on page 2)

The Warminster Amateur Radio Club is a volunteer-based organization. Without the selfless work performed by volunteers such as yourself, there would be no Club.

PROGRAMS

Thursday June 4, 2009 – Election of Club Officers / Pizza Night / Home Brew Presentation

At our June meeting, we'll be having a triple event. It's our annual election of club officers. Next we have pizza night for all, and finally, it's our "Home Brew" night. We all have projects that we're planning or have completed. This is the time to share your projects with the club. I know of some Altoid tin radios, and some other interesting projects up in closets and drawers somewhere.

Thursday July 2, 2009 – Duke's Travel Night

Frank and Anita Duke will be back for an encore of their fabulous travel presentation. This time they will bring you the magic of the Far East with their travels through the Himalayas and Tibet. Mark this on your calendar now – this is one meeting you do not want to miss.

Thursday August 6, 2009 – Battleship USS New Jersey

We have Dave Burgess / WA2TVS, who is the Chief Engineer for BNJARS, coming to Warminster ARC to make a presentation on the BNJ Amateur Radio Station (BNJARS) and the Battleship USS New Jersey. Information on their organization is located at: <http://www.nj2bb.org/>

Thursday September 3, 2009 – Antique Radios and Alternate Power Supplies

Due to the mini-auction running late at the March meeting, this fine presentation by Fred Rice / WA3KIO had to be rescheduled to September. Most of you saw some of his displays, but didn't get to hear the presentation – so he is coming back.

Thursday October 1, 2009- Presentation on D-Star

NEW BUSINESS:

1) Three durable plastic tents (10 x 10) need to be purchased at a cost of \$ 200.00 each- requiring the approval of the members. The tents will be used primarily for Field Day and other public service club events. A motion was made, seconded and carried to purchase the tents for a total cost \$ 600.00.

2) The corporation (club) members were asked to vote on whether the following proposed changes to the club constitution and by-laws should be brought to a vote at the June 4, 2009 club meeting. The votes that follow were votes to 'bring forth' to the June meeting and not actual votes on the amendments themselves. These proposed changes were made known to the members thirty days prior to this vote.

a) By-Laws Section 5

paragraph 3:

Change \$300.00 (three hundred

(Continued on page 3)

(Continued from page 2)

dollars) to five hundred dollars (\$500.00)

A motion was made, seconded and carried to vote on this proposed change at the June 4 club meeting.

b) Constitution Article II

Section 6:

Officers and Directors may be removed from office for cause shown on a motion approved by a majority vote of all Regular Members in good standing.

A motion was made, seconded and carried to vote on this proposed change at the June 4 club meeting.

c) Constitution Article V

Section 5: (A new section to be inserted)

Any motion at a general meeting committing corporation assets shall not be voted on at that meeting but shall instead be placed on the agenda of the next general meeting unless the motion is determined to be of a time sensitive nature. A proposed motion may be determined to be of a time sensitive nature by a majority vote of the Executive Board members present at that meeting.

A motion was made, seconded and carried to vote on this proposed amendment at the June club meeting.

d) Constitution Article II

Section 1:

The "Executive Board" of the Corporation shall consist of the Officers as defined in Section 2 of this Article, eliminate- a past President and add- the Current Club Station Trustee.....

A motion was made, seconded and carried to table this proposed change for vote at a future meeting. This amendment may be sent back to committee for revision.

CLUB STATION

The WARC club station is open to anyone with an interest, on Tuesday evenings between the hours of 7:00 and 9:00 pm. For further information, call George Brechmann N3HBT at 215-443-5656.

WARC ALUMNI MEMBERSHIP

Attention all former WARC members. At the March 4, 1999 General Meeting, revisions to our club's constitution were approved that among other things, establishes a new Alumni membership category for former WARC members who are unable to attend meeting and Club activities on a regular basis due to health considerations or travel impediments. Dues for the Alumni membership were established at \$8.00 annually to cover the costs of printing and mailing our monthly FEEDBACK newsletter. Contact Alumni Coordinator Randy Gehman (N3LJE) or or Membership co-chair Mark Hinkel (WA3QVU) for more information.

Attention members

The Membership Committee has badges and Club cards for you to pick up. If you do not have a Warminster Amateur Radio Club badge or card with your picture on it, please stop by and visit your Membership Chairs, Mark Hinkel - WA3QVU or Michelle London - KB3MTW at the WARC monthly meetings. Otherwise, please contact Membership at: WARCmembership@K3DN.org. Thank you.

SOME SCENES FROM THE HAMFEST

SOLAR UPDATE

Tad "How bright the sunbeams" Cook, K7RA, this week reports: Do sunspots matter? Many of us are surprised at how good conditions can be with zero sunspots; the weak solar wind and lack of flares and geomagnetic events likely have something to do with it. Many times during the more active solar periods, sunspots were welcomed, but then some event associated with the higher solar activity would make conditions difficult, disrupt the ionosphere and increase absorption. For example, look back to the fall of 2003 bulletins via the index <<http://www.arrl.org/wlaw/prop/2003-index.html>>. In addition to the text, note the sunspot numbers and A index listings at the end of each bulletin. There were plenty of sunspots, but if you look at bulletin ARLP038 in September, or ARLP044 through ARLP049 around November, there were huge events that drove the planetary A index to 189 during one week and 162 the next. This is hard to imagine today. Over the near term, it looks like more quiet conditions. We had a nice seven day run of sunspots, but do not know when they will return.

Sunspot numbers for May 14-20 were 18, 12, 15, 13, 14, 11 and 0 with a mean of 11.9. The 10.7 cm flux was 73.9, 73.7, 74.2, 74, 72.9, 72.3 and 71.5 with a mean of 73.2. The estimated planetary A indices were 8, 2, 5, 3, 4, 5 and 4 with a mean of 4.4. The estimated mid-latitude A indices were 8, 2, 3, 2, 2, 2 and 4 with a mean of 3.3. Geophysical Institute Prague reports quiet conditions should prevail May 22-28. NOAA and the US Air Force predict solar flux settling back to 70, then rising again June 5-17. For more information concerning radio propagation, visit the ARRL Technical Information Service Propagation page <<http://www.arrl.org/tis/info/propagation.html>>. To read this week's Solar Report in its entirety, check out the W1AW Propagation Bulletin page <<http://www.arrl.org/wlaw/prop/>>. This week's "Tad Cookism" brought to you by Johann Wolfgang von goethe's "May Song" <<http://www.online-literature.com/goethe/2653/>>.

*The Warminster Amateur Radio Club
 Announces Free Ham Radio Instructional Classes*

If you're interested in Ham Radio, or think you might be, this is your opportunity. Perhaps you'd like to learn about digital communications, Morse code, VHF, UHF, satellite, or perhaps you'd rather sit down and chat with someone in South Africa, Russia, Great Britain or in the space shuttle.

Tech classes will start on Monday March 9th at the Ben Wilson Center and run for about seven weeks, from 7:30 to 9pm.

For further information contact: Rich Enwright at 215-357-9055 or George Brechmann at 215-443-5656
