Next Meeting March 4th - Club Repeater

President's Message

Do You QSL?

Since the earliest days of radio transmission, radio operators have wanted to receive information from those who have heard their signals. In amateur radio, hams wanted a way to confirm two-way communications with other stations. The cheapest and most dependable way to do this was to send a postcard – with postage costing only a penny at that time– through the mail. Borrowing the Q-signal QSL, meaning “I acknowledge receipt of your transmission,” the QSL card was born.

According to Wikipedia, one of the earliest examples of a QSL card was one sent from 8VX in Buffalo, New York to 3TQ in Philadelphia Pennsylvania. Wikipedia goes on to say that the standard configuration of a QSL card, listing call, frequency, date, etc. may have been developed by C. D. Hoffman 8UX in 1919. Wherever they actually started, QSL cards became the standard way to confirm a contact between two amateur radio stations.

Over the years, the value and importance of the QSL card grew greatly. They became the way hams proved their qualification for awards such as the ARRL's Worked All States and DXCC certificates. Cards from rare DX countries and DXpeditions became prized possessions. World-wide systems for the distribution of QSL cards, called QSL bureaus, were put into place. Hams often waited anxiously, sometimes for years, for the arrival of that special card.

Today, in our digital world, electronic

means to confirm 2-way contacts with other hams all over the world exist along side of the traditional QSL card. The ARRL's *Logbook of the World* provides nearly instant confirm of contacts with other hams, and that confirmation is accepted for most ARRL awards. *E-QSL* is another on-line service that confirms contacts, and provides hams with printable cards that look like traditional QSL's. And many hams now use email and social networking sites to confirm their QSO's.

Although I use *Logbook of the World* and *e-QSL* regularly, I must admit that I find something special about the traditional QSL card. If you visit my shack you will see many of the cards I have received displayed on the wall. Included are cards from all 50 states, cards from many of the countries I have worked, and cards from numerous special events or special people I have talked to. Despite the fact that the cost of printing and mailing QSL cards has become rather high, I still mail cards to many of the stations I contact – both in the US and abroad. There is still something especially exciting about finding a card from that new DX station in my mailbox, or about receiving that envelope from the QSL bureau full of cards from all over the world.

As I was preparing to write this column, I took time to look through some of the QSL cards I have received over the years. Some remind me of special times I have had in ham radio while others are just plain fun. I found the very first QSL card I ever received. It was from a neighbor and friend, WA3CEX, for an 80 meter CW QSO over the great distance of about ¼ mile. I also found a handwritten QSL from

WN3FLR, who like myself, was just starting out in ham radio and had not yet gotten any printed cards. Another card I found was from WA0VSL. He was the captain of a Mississippi River paddlewheel steamboat called the Jonathan Padelford and he wrote the QSL on a brochure for the boat. Then there is the card from KZ5OD, a station in what was then the US-owned Panama Canal Zone. And the card from ZL3IA in New Zealand who was the first contact on my newly built Heathkit station. I also found what has to be the funniest card in my collection – a QSL from NU5DE at the Nude Awareness Celebration sponsored by the Naturalist Amateur Radio Club.

Whether through modern digital channels or by the traditional card, QSL's are an important part of ham radio and have been since the earliest days of the hobby. It has been said that the last part of a good QSO is the confirmation. Do you QSL?

73,
Ralph L. “Larry” Abbott WA3ELQ

(Continued on page 2)

The Warminster Amateur Radio Club is a volunteer-based organization. Without the selfless work performed by volunteers such as yourself, there would be no Club.

PROGRAMS

March 4, 2010 – Club Repeater

Presentation by Brian / N3EXA. Over the last year, the K3DN repeater system has been upgraded with new features. Brian / N3EXA and Al / WI3Z will have some new equipment on hand, as well as some photos on the various repeater sites. The club is in the process of upgrading the remote sites, and adding one additional in Upper Bucks County. There is an Echolink upgrade which will be part of the system. This is the time to ask those questions about the system we all use.

April 1, 2010 – Bucks County Amateur Radio Emergency Service (BCARES)

Presentation by Brian (N3QGO).

May 6, 2010 – Digital EmComm with NBEMS

Presentation by Ron / NY3J. Think back to your last public service event, drill, or deployment. You probably passed a lot of traffic best suited for voice communications but...What if you had been asked to pass a Roster of evacuees, Required prescription medications, Directions to a disaster scene. The needs of our Served Agencies have changed. They still need voice communications but...There's an increasing need for data communications. We need to be able to provide more than just voice communications from a ham with an HT. Ron / NY3J will introduce you to NBEMS (Narrow Band Emergency Messaging System).

June 3, 2010 – Club Election of Officers / Pizza Night / Home Brew Projects

This is a triple event. It's our annual Warminster ARC Election of officers. It's Pizza Night – always a hit, and it's that time of the year where you bring in your Home Brew that you have built, or are building. Last year we had the famous Spud Gun which was used at Field Day, and the Altoids tin QRP radio. What will we see this year?? Also this is the last meeting prior to Field Day, and we'll spend a few minutes on last minute issues.

July 1, 2010 - Geocaching

Mark (N3GNW) will present Geocaching (pronounced geo-cashing) - a worldwide game of hiding and seeking treasure.

August 5, 2010 – Open.

September 2, 2010 – Contesting

Mark (N3GNW), Irwin (KD3TB) and Andy (KD3RF)

October 7, 2010 – Presentation by Rich (AG3L) on Army MARS (Military Auxiliary Radio System)

November 5, 2010 - Ham Radio Outlet

RICK LAMB (K3TL).

December 2, 2010 - Annual Warminster ARC Dinner.

(Continued from page 1)

Warminster Amateur Radio Club

General Meeting Minutes

February 4, 2010

Meeting was called to order
by the President, Larry (WA3ELQ)
at 7:40 pm.

INTRODUCTIONS:

MINUTES FROM THE

January 7, 2010, MEETING:

A motion was made,
seconded and unanimous vote to
accept them as printed in the
Feedback Newsletter.

TREASURER REPORT-

Rich (AG3L):

As given

COMMITTEE REPORTS:

MEMBERSHIP- Mark

(WA3QVU) and Michelle
(KB3MTW):

There are
currently 126 paid-up members.

Every member is also
encouraged to join the ARRL. The
club must have at least

50% of its members as
ARRL members to keep the
WARC's affiliation. We presently
have 86 with ARRL
memberships. ARRL annual
membership dues are \$39.00.

We are trying to cut back
on the number of printed
Feedbacks. Several
suggestions were made
about how to notify
members that the
newsletter was online
included: send a notice via
email or send the
newsletter as an attachment
to the email.

PUBLIC SERVICE-

George (N3HBT):

None

CLASSES- George

(N3HBT):

In March there will be a
Class for both the Technician and
General Class licenses.

They will start the first
Monday (March 1, 2010) at
7:30 – 9:00 pm for 8 weeks.
Both will be at the Senior
Center. Rich (KB3NRL)
will be teaching the
Technician part upstairs.
Irwin (KB3TB) and Andy
(KB3RF) will teach the
General (about 5 people) in
the conference room. The
club has a few Technician
books. Study guides are the
responsibility of the student.

HAMFEST – Michael
(KB1JEY) and Mark (WA3QVU):

(Continued on page 3)

(Continued from page 2)

Michael (KB1JEY): The Trenton Computer Fest will be held on April 24 – 25. There will be some ham related classes being given. Michael will be teaching a microwave class.

Mark (WA3QVU): Mark will be taking over hamfest responsibilities. There are a lot of hamfest jobs that will need to be done such as putting signs out on different streets. Al (WI3Z) will take care of the postcards.

PROGRAMS- Rich (AG3L):
March 4, 2010 - Presentation by Brian (N3EXA) and Al (WI3Z) on the Club Repeater-New equipment & new locations.

April 1, 2010 – Bucks County Amateur Radio Emergency Service (BCARES) presentation by Brian (N3QGO).

May 6, 2010 – Presentation by Ron (NY3J) on Digital EmComm with NBEMS

(Narrow Band Emergency Messaging System).

June 3, 2010 – Pizza night, Club election and Homebrew night.

July 1, 2010 - Geocaching by Mark (N3GNW). Geocaching (pronounced geo-cashing) is a worldwide game of hiding and seeking treasure.

August 5, 2010 – Open.

September 2, 2010 – Mark (N3GNW), Irwin (KD3TB) and Andy (KD3RF) on Contesting.

October 7, 2010 – **Presentation by Rich (AG3L) on Army MARS (Military Auxiliary Radio System)**

November 5, 2010 - **Ham Radio Outlet - RICK LAMB (K3TL).**

December 2, 2010 - **Annual Warminster ARC Dinner.**

Bus Trip To W1AW At

ARRL Headquarters- Rich (AG3L):
 Trip is Thursday, March 11 from 8:00 am – 8:00 pm. We will see the museum, meet people and possibly operate the station. There are only 9 seats left. Besides WARC members there is one from RF Hill and 4 from Lancaster. Details are on the web site.

FIELD DAY - Rich (KB3NRL)
 Rich not at meeting.

LIBRARY – Bill (K3ZMA):
 There are lots of books in the Library. Bill also has his own library and will lend books from it.

REPEATER – Brian (N3EXA):
 Will discuss at meeting next month.

443.950. 147.090 has six receiving sites: Bristol, Abington, Quakertown, Warrington, Hilltown and Plumsteadville

SKYWARN – Mike (W3MJP)
 Check your Skywarn card. There is a 3-year rule for recertification. There will be a three hour (7 – 10 pm) program April 22 at the Senior Center.

VHF Contest- Doc (W3GAD)
 Make sure you turn your logs in. Thanks for participating. There is lots of activity on 6 meters.

FM Simplex Contest- Doc (W3GAD)
 From QST. February 21, 2 – 4:30 pm, 50 – 440 MHz. D-Star contest will follow at 4:30 – 7 pm.

PACK RATS MEETING - Doc (W3GAD)
 In two weeks there will be a VHF Contest Crying Towel Meeting

GOOD AND WELFARE:

Randy (N3LJZ) is going to have knee replacement on February 24. Help will be needed preparing refreshments during his recovery to replace him.

Don [Byron] Rector (K3UBF) is at Manor Care - Montgomeryville, Rt. 309 & Taylor Rd, 1st light North of 5 points, LHS. 1st floor, Rm. 4B, 215.368.3357. He is not feeling well while at Manor Care. Phone calls and physical help with some private task is needed. He is very depressed, agitated and needs the help of some of our club members. At the moment, he is scheduled to stay at Manor Care until Feb. 11th. which is not what he wants and needs.

OLD BUSINESS:
 None

NEW BUSINESS:
 Bus trip to W1AW at ARRL headquarters.

TONIGHT'S PROGRAM:
 Club Auction. Mark(N3GNW) Will be the auctioneer.

Submitted:
 WDØESL, Club Secretary
 February 7, 2010

CLUB STATION

The WARC club station is open to anyone with an interest, on Tuesday evenings between the hours of 7:00 and 9:00 pm. For further information, call George Brechmann N3HBT at 215-443-5656.

WARC JACKETS, SHIRTS AND HATS

Are available. Delivery within one month of placing order- the more we order, the lower the prices. See Burt (N3YVH) for order forms and cost information.

WARC ALUMNI MEMBERSHIP

Attention all former WARC members. At the March 4, 1999 General Meeting, revisions to our club's constitution were approved that among other things, establishes a new Alumni membership category for former WARC members who are unable to attend meeting and Club activities on a regular basis due to health considerations or travel impediments. Dues for the Alumni membership were established at \$10.00 annually to cover the costs of printing and mailing our monthly FEEDBACK newsletter. Please contact co-chair Mark Hinkel (WA3QVU) for more information.

ATTENTION MEMBERS

If you want to have your picture taken to be placed on the 'Members Photos' section of the www.k3dn.org website, please email Mark Hinkel at mrhinkel@verizon.net or myself Michelle at mal61@comcast.net with your interest. If we get enough people who are interested, I will pass the info on and then we will have camera ready at the following club meeting. Remember to bring your best face!"

The Membership Committee has badges and Club cards for you to pick up. If you do not have a Warminster Amateur Radio Club badge or card with your picture on it, please stop by and visit your Membership Chairs, Mark Hinkel - WA3QVU or Michelle London - KB3MTW at the WARC monthly meetings. Otherwise, please contact Membership at: WARCmembership@K3DN.org. Thank

you. FOR SALE

Garmin Nuvi 350 GPS with mounting bracket, carrying case, usb cable, power outlet cable, and printed instructions. \$125.00. For information contact George N3HBT at 215-443-5656 or n3hbt@arrl.net.

SOLAR UPDATE

Tad "The Sun did not shine, it was too wet to play" http://en.wikipedia.org/wiki/The_Cat_in_the_Hat" Cook, K7RA, reports:
We have been seeing improved conditions with moderate sunspot activity, and we should keep seeing these good conditions this weekend for the ARRL International DX Contest (CW) <http://www.arrl.org/contests/rules/2010/intldx.html>. The average daily sunspot number for the past week was 38.7, down 4.6 points from the prior week, but the average daily solar flux rose 4 points to 90.6. The predicted solar flux for February 18-22 is 88, 88, 86, 85 and 84. The planetary A index for the same period is predicted at 10, 10, 5, 5 and 5. Look for more information on the ARRL Web site on Friday, February 19, including a look at some new resources for grabbing up-to-the-minute data from ionospheric sounders. These are very useful for studying HF propagation paths and understanding phenomena that we recently discussed on 75 meter short-skip propagation. For more information concerning radio propagation, visit the ARRL Technical Information Service Propagation page

<http://www.arrl.org/tis/info/propagation.html>. This week's "Tad Cookism" brought to you by Dr Seuss' The Cat in the Hat http://en.wikipedia.org/wiki/The_Cat_in_the_Hat.

MARS Unifies Operation in Support of Haiti Relief Effort

To assist the MARS communications support effort in Haiti, the heads of the Army, Air Force, and Navy-Marine Corps MARS programs have agreed to divvy up responsibilities among the three Service MARS programs. According to Air Force MARS Public Information Officer David Trachtenberg, N4WWL/AFA3TR, this delegation of responsibility will facilitate more efficient utilization of MARS communications assets in the overall relief operation. On January 12, a 7.0 earthquake struck Haiti, killing thousands and wiped out the island nation's communication infrastructure.

Trachtenberg told the ARRL that Air Force MARS will have primary responsibility for coordinating and releasing public affairs information on the activities of MARS radio operators assisting with the Haiti relief operation. Navy-Marine Corps MARS will be responsible for recruiting volunteers -- who will travel to Florida at their own expense -- to serve in Haiti as part of the essential communications link.

Bound & Gagged / Dana Summers

(Continued from page 4)

Army MARS will coordinate frequency authorizations and use of digital communications for MARS operations on the island, including the transmission of e-mail via radio links; this capability is especially useful in the absence of Internet connectivity.

"The delegation of responsibilities among the three MARS services not only makes practical sense, but is an excellent example of interoperability in action," said Air Force MARS Chief Allen Eiermann. "This represents true unity of effort," added Army

MARS Chief. Navy-Marine Corps MARS Chief Bo Lindfors noted that the success of the MARS operation so far "demonstrates the value of this contingency communications capability in a real-world emergency."

According to Trachtenberg, volunteer MARS radio operators representing all three Service MARS programs have been on the ground in Haiti, working with military and medical teams to provide valuable communications support.

Club Station**Meetings****Talk To Us**

The Club Station - K3DN - is located at the Benjamin Wilson Senior Center, Delmont Avenue, Warminster, PA. The station is open for club members and the interested general public on non-holiday Tuesday evenings from 7 to 9 pm . The station is fully operational on HF (80 meters through 10 meters) both phone and CW. There is an assortment of amateur radio shareware which may be copied under the shareware licensing agreement.

For additional information on the Club Station please call the Station Manager N3HBT - George at 215-443-5656.

- WARC Meetings are held the first Thursday of each month at 7:30 pm at the Benjamin Wilson Senior Center, Delmont Avenue, Warminster, PA. Talk in is available on the 147.09 & 443.950 repeaters.
