Next Meeting September 4th - Mobile Night

Minutes for the General Membership Meeting August 4, 2008

Meeting was called to order by the President, Larry (KB3DVS) at 7:35pm.

GUESTS:

Frank and Anita Duke (Guest Speakers)
John (W4DJ)

INTRODUCTIONS:

MINUTES FROM THE JULY 3, 2008 MEETING:

Accepted and approved as submitted and printed in the Feedback Newsletter.

UPGRADES AND NEW LICENSES:

None

TREASURER REPORT- Denise (KB3ANO):

As given

PROGRAMS- Larry (WA3ELQ): September 4, 2008- Mobile and Portable Night

October 2, 2008- TV Production.

For all other Programs, see those listed above in the FEEDBACK Newsletter.

If anyone has any suggestions for future club meetings, please see Larry.

COMMITTEE REPORTS:

MEMBERSHIP- Mark

(WA3QVU) and Michelle (KB3MTW):

Currently there are 130 paid-up members. The membership table as well as the 50/50 raffle tickets sales will be in the lobby of the senior center during club meetings.

PUBLIC SERVICE- George

(N3HBT):

Saturday July 26 Hatboro Car Show -

A letter was read from The Hatboro Chamber of Commerce thanking the club for their "professional" participation.

Labor Day Weekend, and September 6

and 7 - The Polish American Festival at the Shrine of Chestahova. Burt (N3YVH) will be unable to attend during the weekends. If you can help, please contact Burt and he will give you all of the necessary information (volunteer lists) to coordinate the event. If anyone brings their family, they must pay to get in and will be reimbursed when leaving.

Monday October 8 - Columbus Day Golf Tournament at the Five Ponds Golf Course in Warminster. A sign-up will be available at the September Meeting.

Sunday November 23 - Holiday Parade in Hatboro from noon to 4:30pm. About 12 radio operators will be needed.

FIELD DAY 08- Rich

(KB3NRL):

1) Instead of the current lock-up storage, Rich commented that a more ideal situation would be to have a trailer loaded with the field equipment parked in a secure location.
2) Subject to ARRL authentication, total claimed points for 2008 was 5038. That represents an increase of 146 points over last year. A complete list of points will be posted to the WARC-Talk list.

CLASSES- Rich (KB3NRL):

Entry level Tech classes will begin on the 2nd Monday in September (September 8). A poll was taken to see if anyone was interested in General and/or Amateur Extra classes. A list will be kept of those interested. Irwin (KD3TB) and Andy (KD3RF) will teach the General Class. An Extra class may be offered in the spring.

LIBRARY: As a reminder, any club member is welcome to sign out books from the club station library.

REPEATER- Brian

(N3EXA):

Brian will be getting together with Bill (K3ZMA) to work on the new repeater. The 147.30 (W3BXW) repeater will be linked with the WARC 2m and 440 repeaters during the Wednesday Night Social Net. The 147.30 BEARS repeater has wide area coverage.

GOOD AND WELFARE- Vince (KD3TC):

Horace Carter (K3KT) passed away in June. Horace was one of the club's founding members. Mark (WA3QVU) will have a sympathy card at the September meeting for everyone to sign.

OLD BUSINESS:

PA State Bill PRB-1 has moved out of committee and on to the Senate floor for vote. House bill 1777 stills needs to be moved out of committee and on to the House floor for vote. Please contact your local State Representative (except for Kathy Watson, she is a sponsor) and ask them to have the bill moved out of committee for vote. The

The Warminster Amateur Radio Club is a volunteer-based organization. Without the selfless work performed by volunteers such as yourself, there would be no Club.

PROGRAMS

Thursday September 4, 2008 *Mobile Night*

What's in your car? Do you operate a two meter HT or do have a whole ham shack on your dash? Come out and share your mobile set-up with the club. Pass along your tips on installing equipment in a vehicle. Discuss antenna options. Share your mobiling experiences. If the weather cooperates we will move the meeting to the parking lot and eyeball each other's installations. If you operate from your car you won't want to miss this meeting.

Thursday October 2, 2008 *TV Production*

Take a journey into the world of television production. See what really goes into the production and editing of a TV program. Our own club president Anthony Burokas KB3DVS joins us for a look behind the scenes of Chef Jim Coleman's "Flavors of America".

Thursday November 6, 2008 *Ham Radio Equipment Update (tentative)*

Rick Lamb from HRO in Delaware returns to discuss the latest in ham equipment and what is happening in the world of ham radio retailing. Find out what is "hot" in new equipment. Find out what is good and what is not so good in used gear. The program will include time for Q and A, so come prepared with your questions.

Thursday December 4, 2008 *Annual Holiday Dinner*

Spend time with friends and enjoy some special food. Bring your significant other. Bring a non-perishable food item to donate. Come one, come all to the WARC Annual Holiday Dinner. A fun time for all club members.

Thursday January 8, 2009* *Digital TV Night*

On February 17, 2009 all analog TV broadcasts will cease in the United States and all TV stations will be required to broadcast in digital format. Bill Weber, VP for Content Distribution & Chief Technology Officer for WHYY will give us an overview and the technical details of digital TV broadcasting, as well as information on the consumer options that are available. Don't miss this informative and timely presentation.

(* January 1 is New Years Day, so our meeting will be held on January 8.)

Thursday February 5, 2009 *Club Auction*

Going once...going twice...Yes, February is the time for our annual club auction. Check those closets and bring in that gear you don't use any more, those parts that are just taking up space, or that "junk" you have been meaning to get rid of, and donate it to the club. We will auction it off to other interested hams who may find your "junk" their treasure. Bring along some cash. You may find some treasures as well.

Thursday March 5, 2009 *TBA***Thursday April 2, 2009 *ARRL Night***

Norm Fusaro W3IZ, Assistant Manager of the ARRL Membership and Volunteer Programs Department, and Dennis Dura K2DCD, ARRL Emergency Preparedness and Response Manager, join us for a very informative program on what is happening at the ARRL and in ham radio. A question and answer session is included. Mark this on your calendar now – this is one meeting you do not want to miss.

Thursday May 7, 2009 *Nomination of Officers/TBA***Thursday June 4, 2009 *Homebrew, Cool Gadgets, and Pizza Night/Election of Officers***

It's Pizza Night and that means it's show-and-tell time again! Bring in that homebrewed gear you just built, that kit you just finished, or that unusual gadget that you use in your shack. This is your chance to show it off!! Come out and see everyone's "stuff" while you enjoy some delicious pizza. It's also **election night**. Remember WARC is your club and you decide who will direct it for the next year – so come out and vote.

(Continued from page 1)

township managers are opposing this bill. If action on this bill does not happen this legislative session, the process must start all over again next year!

NEW BUSINESS:

- 1) Michael (KB1JEY) needs help on Saturday September 20 with moving a 600lb crank up/down tower from its present location in Levittown to his home. If you can help, please contact Michael.
- 2) A new Alpha Delta 85 foot multi-band dipole antenna needs to be installed at the club station.
- 3) The WARC has been asked to participate in the Live Strong Bike-a-Thon. The 100 mile bike ride starts and ends at MCCC in Blue Bell. The course travels thru Montgomery and Berks Counties. 35 radio

operators are needed on August 24 from 6:30am to 5:30pm. If you are available to help, please see Denise (KB3ANO).

4) The ARRC is holding a frequency coordination meeting on Saturday September 20 in Cinnaminson, NJ.

50/50:

Adam (KB3JCP)

REFRESHMENTS:

Randy (N3LGE)

Business portion of the meeting adjourned at 8:05 pm

TONIGHT'S PROGRAM-

African Safari by Frank and Anita Duke from Anne's Choice.

SOLAR UPDATE

Tad "I carry the Sun in a golden cup" Cook, K7RA, this week reports: Another week of quiet Sun, but on Wednesday and Thursday -- August 20-21 -- a new spot seemed to be emerging, but there is no sign that it is anything other than an old Solar Cycle 23 spot. Sunspot numbers for August 14-20 were 0, 0, 0, 0, 0, 0 and 0 with a mean of 0. The 10.7 cm flux was 65.9, 65.3, 66.2, 66.5, 66.2, 67.3 and 65.9 with a mean of 66.2. Estimated planetary A indices were 5, 4, 5, 7, 23, 8 and 6 with a mean of 8.3. Estimated mid-latitude A indices were 4, 3, 4, 5, 15, 7 and 5 with a mean of 6.1. For more information concerning radio propagation, visit the ARRL Technical Information Service Propagation page <<http://www.arrl.org/tis/info/propagation.html>>. To read this week's Solar Report in its entirety, check out the W1AW Propagation Bulletin page <<http://www.arrl.org/w1aw/prop/>>.

ARRL'S "BIG PROJECT" MAKES A BIG IMPACT ON YOUTH

Since 2001 when the Education & Technology Program -- also known as the "Big Project" -- started, ARRL has expanded the scope of its educational outreach programs by providing grants of station equipment and instructional resources for professional development to more than 300 schools (with more schools added each year) <<http://www.arrl.org/FandES/tbp/>>. The Education & Technology Program has expanded the highly successful teacher development program in electronics, robotics and space -- the Teachers Institute on Wireless Technology <<http://www.arrl.org/FandES/tbp/ti.html>>.

From humble beginnings in 2003, a single gathering of 12 educators came together at ARRL Headquarters to become the Teachers Institute, with the goal to promote wireless technology literacy. Since then, the Teachers Institute has provided teachers from elementary schools to the university level with the basic tools and teaching strategies to introduce the science of radio, space technology, weather, microcontroller basics and robotics in their classrooms. In 2008, the Teachers Institute program has expanded to six four-day sessions that now include ATV and radio astronomy, more hands-on instruction of project kits -- such as a seismometer, a 24-hour clock and A BOT Instructor's Board -- to enhance the teachers' ability to instruct basic robotics, a fox-hunt activity and satellite contacts.

WARC JACKETS, SHIRTS AND HATS

Are available. Delivery within one month of placing order- the more we order, the lower the prices. See Burt (N3YVH) for order forms and cost information.

(Continued from page 4)

Each year, the League receives gratifying reports from the schools that participate in the Education & Technology Program. The schools tell us that the resources we offer are bearing fruit -- both in terms of licensing students and teachers and engaging them in wireless technology, both in the classroom and in after-school activities.

"The Education & Technology Program is truly one of ARRL's most significant projects," said ARRL Chief Development Officer Mary Hobart, K1MMH. "The contributions of ARRL members make a direct connection to teachers and their students, opening the door to Amateur Radio and other exciting areas of science."
