2022 WARMINSTER HAMFEST AND EPA SECTION CONVENTION

Dear Friends of the Warminster Amateur Radio Club,

The Warminster Amateur Radio Club (WARC) will hold its Annual Hamfest on **Sunday May 1st, 2022** at the Bucks County Community College, Lower Bucks Campus, 1304 Veteran's Highway (Rte. 413), Bristol, Pennsylvania. This Hamfest has earned a great reputation in the amateur radio community and draws attendees from the greater Philadelphia area including; New York, New Jersey, Delaware and Maryland. The club has a very aggressive marketing program that attracts people who have an interest in ham radio, computers and electronics. We had a great turnout last year and are expecting even more vendors and a larger crowd this year.

We are offering vendors the opportunity to reserve indoor table spaces well ahead of the Hamfest-date. The WARC can not guarantee a vendor any specific table assignment without pre-payment of table rental fees. You can reserve indoor table space(s) if you return the reservation form below postmarked no later than April 15. Our scheduled charges for indoor table spaces are twenty dollars (\$20.00) per table. Pre-registrants for indoor spaces may request (indicate three choices below) a preferred table(s) location. (See floor plan page 3). All space assignments will be made on a first-come, first-served basis, in the order that pre-paid requests are received. Electric is available on request at the tables indicated with the red **E** on the floor plan.

Please NOTE:

Pre-registration fees are not refundable. Our Hamfest is held in any weather. **Indoor Vendors are expected to be out of building within one hour of the official Hamfest end time, normally 1PM.**
